OSH India - Chennai 2017

29th - 30th June 2017, Chennai Trade Centre, Chennai

OSH Chennai 2017, South India's largest international trade event catering to the occupational safety and health industry reiterated the industry's potential and roadmap in South India. The trade show organized by UBM India successfully concluded its 4th edition on 30th June at Chennai Trade Centre. The inaugural ceremony took place in the presence of Chief Guest, Shri. Prem Anand Sinha, IPS, Joint Commissioner of Police (Traffic), Chennai; and key dignitaries, Shri. S.Sreekumar, Regional Executive Director, Southern Region, Airports Authority of India, Ministry of Civil Aviation, Govt of India; Shri. S Ponsingh Mohanram, Additional Director of Industrial Safety and Health, Chennai, Ministry of Labour & Employment, Government of Tamil Nadu; Shri. Varun Buddhiraja, Director, Euro Safety Footwear India Pvt. Ltd., Shri. G.M.E.K Raj, Director General (Retd.) DGFASLI, Govt of India; and Yogesh Mudras, Managing Director, UBM India, among other players in the industry.

OSH Chennai 2017 was supported by key associations such as the Gujarat Safety Council, Indian Technical Textile Association, Indian Society of Ergonomics, National Small Industries Corporation, The International Powered Access Federation (IPAF) and Aerial Platform Association of India (APAOI). The expo saw the participation of top-of-the-line players of the industry including Amazon, Acme Safetywears Limited, Accent Industries Ltd., Bata India Ltd., Euro Safety Footwear India Pvt. Ltd., Motorola Solutions India Pvt. Ltd., Oshkosh India Private Limited, Prolite Autoglo Limited, TATA Communications, Tribe, Toughscaff Pvt. Ltd., Udyogi International Pvt. Ltd., amongst others.

As a strategic move to tap new markets, UBM India is proud to announce the 5th edition of OSH South India at HITEX, Hyderabad slated for 28th-29th June, 2018. This new OSH gateway will provide unique opportunities to OSH stakeholders to network with industries based out of Andhra Pradesh & Telangana. The show will run in close association with DISH Telangana & Andhra Pradesh and will be well supported by other adjoining regions.

OSH South India – Hyderabad

28th – 29th June 2018, Hitex Exhibition Center

The 5th edition of South India's largest show will be held on 28th - 29th June, 2018 at HITEX Exhibition Centre, Hyderabad. Telangana, the 29th state of India, was formed in June 2014, with Hyderabad as its capital. Hyderabad emerged as a pharmaceutical, IT and biotechnology hub and is known as India's pharmaceutical capital and "Genome Valley of India" and is the largest contributor to the state's GDP (Gross domestic product) and state tax.

The Telangana Government plans to encourage an industrial corridor to boost employment opportunities in the region. The state also plans to invest in power plants in a large way to back up its industrial infrastructure and also establishing three Aerospace parks in the state.

Leading IT companies like Facebook, Google, IBM and Microsoft hold a significant presence in Hyderabad. Hyderabad also accounts for approximately 20 per cent of India's total pharma exports. Other key industries include manufacturing, textile, mines and minerals, aerospace, automotive based industries, general engineering, steel, R&D of biotech, solar equipment, electronic hardware.

Thus the city offers the right eco-system for occupational safety and health as a sector.

KEY FEATURES

CONFERENCE

Rich content led knowledge forums with eminent speakers

INNOVATION ZONE

A showcase of novel products that will benefit the occupational safety and health industry

PRODUCT LAUNCH PAD

Exclusive launches of occupational safety and health products & services

LIVE DEMONSTRATIONS

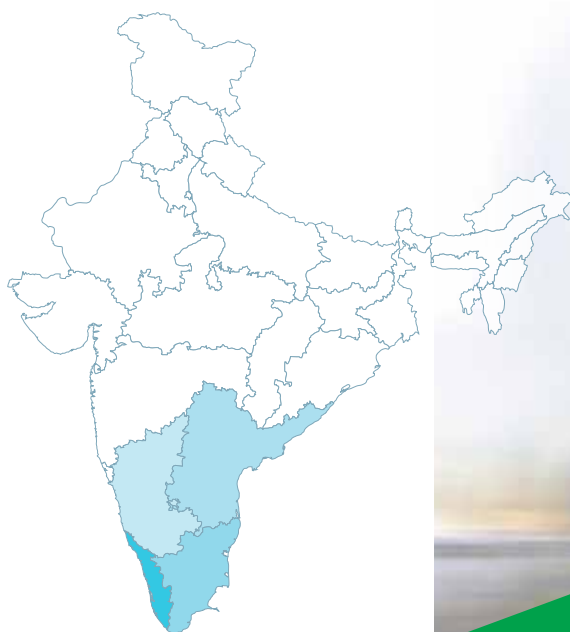

Live demonstrations of the safety products by leading safety brands

LIVE SEMINAR

A safety awareness forum where safety experts speak on leading innovations

OSH CONFERENCE

Promoting a Safe and Healthy Environment at Workplace

The two-day conference as part of OSH South India 2018 strives to bring all key stakeholders—government officials, HSE experts, industry associations and OSH evangelists—together to discuss occupational safety and health as a priority for companies, while reiterating the significance and business benefits of investing in the health and safety of workforce. This year OSH South India is also taking the initiative to spread awareness regarding the importance of occupational safety and health for working women, workplace ergonomics and employee health & efficiency.

OSH South India 2018 will provide leadership insights and help you empower safety and productivity at work. Each session provides the most comprehensive information needed to meet regulations and overcome industry challenges. You will have the opportunity to meet professionals from every industry, explore the latest trends in safety while making new contacts at the tradeshow.

Key Topics:

- Challenges in Implementing Laws and legislation Related to OSH in India
- Redefining Mindsets in the Construction Industry Regarding OSH
- Why SMEs Need and Should Adopt the Best Practices in OSH
- Getting the Best Out of a Fire Safety Strategy
- Getting Ready for Future Challenges in the Mining Industry
- Battling Occupational Hazards to Workers' Health in Tanneries
- OSH Best Practices For Controlling Debilitating Injuries to Workers
- Why Do We Keep Floundering on Fire Safety in Hotels and Restaurants?
- How Employers and Employees Can Join Hands to Ensure a Safer Working Environment in the Pharmaceutical Industry
- Dealing with Mental Stress Due to Layoff Crisis in the IT industry
- Workshop: The Role and Need for Accreditation in HSE

Who Should Attend?

- Everyone who is interested and deals with workplace safety and health issues at work
- High-level government officials, high-level decision-makers in the public and private sectors
- Chief Executive Officers (CEOs) and labour leaders
- Occupational Safety and Health (OSH) professionals such as safety engineers, safety technicians
- Occupational hygienists and scientists
- Occupational physicians and others dealing with occupational medicine
- Labour inspectors and safety and health inspectors
- Trade unions, workers and their representatives
- Employers and their organisations, including human resource managers
- Manufacturers and importers of safety materials and safety equipment

...and more!

OSH India- Chennai 2017: Exhibitor Statistics

EXHIBITOR TESTIMONIALS

OSH Chennai is a great forum to connect relevant buyer and seller. Our objective is to create awareness regarding occupational safety and health products at Amazon and so far we got a good response from the visitors and also from the big brands of the safety industry. We have met visitors from across industry verticals like Larsen and Toubro, Amul, etc which was beyond our expectation.
Aarti, Category Manager, AMAZON

My experience is very good, OSH Chennai is the great platform where we can market our product to the end consumer. The quality of visitor is good and it is mostly from Chennai. I was expecting more visitors.
Varun Ghai, Director, UFS

We are participating in OSH for the first time. The response is quite good and hoping for a good business. From the leads that we got in two days we are expecting a good business.
Mohammad Umar Razwi, General Manager Marketing, ACI Oils (P) Ltd

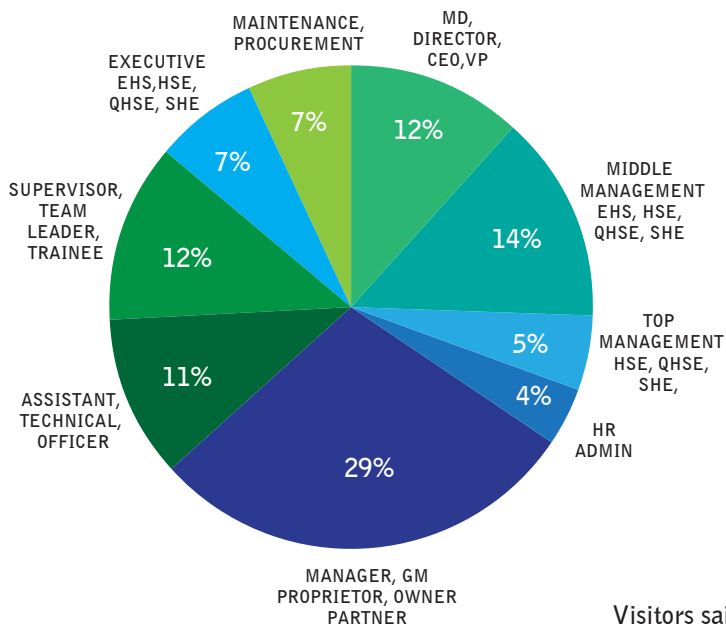

I am participating for the first time in OSH Chennai and my experience is very good. The response from the visitor is very good and my expectation of participating in this exhibition has achieved. Quality of visitors are good and the right target people have visited our stall and expecting a good business from them. We are going to participate in OSH Mumbai and also in the OSH Hyderabad next year.
Rohtash Singhal, Partner, Ace creation

TESTIMONIALS

Shri. G.M.E.K Raj,
Director General (Retd.)
DGFASLI, Govt of India;

OSH is a great platform for the industry when it comes to occupational safety and health awareness. UBM has taken a right path to create awareness not only by conference but also with the help of exhibition where alot of safety products are displayed. This is what we need in india, this is the place where we get everything under one roof which will definitely benefit the industry as a whole.

Shri. Prem Anand Sinha,
IPS, Joint Commissioner
of Police (Traffic),
Chennai

There are alot of accidents take place in industries due to negligence of occupational safety and health importance and the cost involved after the incident is much higher than the cost of prevention by way of safety equipments or products. Manufacturers of the safety products like helmet used to be very expensive and old technology now many companies using advance technology products with affordable cost and OSH is one platform where u will get to see alot of products under one roof .

Shri. S Ponsingh Mohanram,
Additional Director of
Industrial Safety and Health,
Chennai, Ministry of
Labour & Employment,
Government of Tamil Nadu

UBM is bringing together all industry leaders, experts on one platform to address the challenges in the occupational safety and health. In OSH Conference there are alot of topics will be discussed which will be very useful for OSH. All the best to OSH and UBM

Shri. S.Sreekumar,
Regional Executive Director,
Southern Region,
Airports Authority of India:

I am thankful to UBM for this opportunity to ponder upon occupational safety and health subject which is very important in aviation industry and this conference is worth the knowledge and it will be useful for everyone.
